It is a great pleasure to recognize you as the Doris Day Animal League celebrates your more than 15 years of dedicated volunteer service.

I commend your outstanding efforts to improve the welfare of animals in the Golden State. With your selfless commitment and tireless advocacy, you have truly made valuable contributions toward safeguarding California's animals. By working together on legislation such as the Antifreeze, Pet Store, Blood Bank and Trapping Bills, we have made California the nation's leader in animal protection.

On behalf of the people of the State of California, I thank you for your unwavering dedication and I extend best wishes for continued success.
